MEMORANDUM FOR: Each Member Military Advisory Panel

FROM: H. F. Hutchinson, Jr.
Acting Chairman

SUBJECT: MAP Administration

1. The Military Advisory Panel will meet on the second Tuesday in May, July and September, and on the third Tuesday in November. Meetings will be one day in duration, begin promptly at 0900, and end promptly at 1630. Our schedule will allow for a one hour lunch break.

2. The MAP Chairman will coordinate arrangements for each meeting with the Chairman, NIC. Not later than two weeks before the date of the upcoming MAP meeting, each MAP member will receive from NIC Administration written notice of its time and place, its agenda, and instructions for obtaining access to its classified read-ahead material.

3. The agenda for each meeting will be structured around two themes: (1) a selected CINC's EEI and his evaluation of Intelligence Community support for his plans and operations; and (2) estimates or other types of disseminated intelligence referred to the MAP by the Chairman, NIC, or the DDCI. Tentatively, meetings will be focused as follows:

May 10: USCENTCOM
July 12: USPACOM
Sept 13: USEUCOM
Nov 15: USSOUTHCOM

4. In our meeting on 10 May, in addition to our session with USCENTCOM, we will cover two additional topics. The National Intelligence Officer for Science and Technology, Julian Nall, will arrange for us a discussion on the subject of strategically significant new technologies. And, in addition, the National Intelligence Officer for General Purpose Forces, MGen Larry Budge, will provide a further update on the progress being made in fulfillment of the Net Assessment tasking given by Congress.

5. Despite our best efforts we have yet to completely wire a procedure whereby we can provide directly to our out-of-town members a package of anticipatory codeword readings. Nevertheless we will have a set of preparatory readings some three weeks before the 10 May session, available for you in the National Intelligence Council front office. If you have any further questions, please contact [redacted]
